## ABOUT COZUMEL, MEXICO

Cozumel is 28 miles long and 10 miles wide. It is renowned for white sand beaches and crystal clear water. Cozumel has water clarity about 100-200 feet depending on the season. The native people to the island of Cozumel are of Mayan descent. The Maya are known as farmers, fishermen and warriors who had very advanced civilizations. Cozumel has become a national marine park known for the incredible underwater wild life. Jacques Cousteau has called it one of the most beautiful dive sites in the world.
