dive package 10dives - 5 days
of 2 tanks per day. Beautiful
Coral reefs and fantastic
different wild life to see.

EXTRA THINGS YOU NEED TO KNOW:

Only ONE piece of checked baggage @ 23kgs is included with the package. The airline now requires us to declare and pay for gear and limits the amount accepted per flight, so it is very important to book early & advise whether additional luggage will be carried. A 2nd standard piece (max 23kgs and 158cm max total linear) will add \$45 each way if prepaid, and you will be asked at time of booking if a 2nd piece is required/intended. If your 2nd piece is heavier or larger, the fee is \$100 & details on gear permitted & max size etc can be found here: <https://www.airtransat.com/en-CA/Travel-information/Baggage/Weight-Dimensions>

Please note that there may be additional Covid protocols in place still at the time of travel, but it is very hard to say as things are still very fluid. We will keep travellers up to date as we approach our departure date.
